SUMMARY

Motivated and dedicated MCA final-year student with a strong foundation in Python programming, SQL, data analytics, and web development. Experienced in developing AI-based systems and machine learning applications, including a voice-driven forensic face sketch generation system for criminal identification. Skilled in problem-solving, data analysis, and building practical software solutions. Seeking an opportunity to apply technical knowledge in artificial intelligence data analytics, and software development while contributing to innovative and impactful projects.

FREELANCE PROJECTS

Voice-Driven AI System for Automatic Forensic Face Sketch and Criminal Identification / MCA

- Developed an AI-based system that generates suspect face sketches from eyewitness voice descriptions
- Built a web application using Python and Flask
- Created a facial feature dataset including eyes, nose, mouth, hair, beard, and face outline
- Automatically places selected features on a canvas interface to construct the facial sketch.

Eye-Care Screen-Based Brightness Control System / MCA

- Developed an AI-based system to protect eyesight during long computer usage
- Uses a webcam to detect user eye distance from the screen
- Automatically reduces brightness when the user sits too close
- Restores brightness when the user returns to a safe distance
- Generates usage reports using charts and stored datasets.

AI Chatbot for Identifying Professionals / B.Sc.cs

- Developed an intelligent chatbot system that identifies professionals such as doctors, politicians, law enforcement officers, and cricket players
- Displays relevant images and detailed information about the selected professional
- Integrates YouTube videos for additional learning and reference
- For example, selecting a doctor displays the profile, image, and related medical procedure videos

EDUCATION

Master of Computer Applications (MCA)

B.S. Abdur Rahman Crescent Institute of Science and Technology | Chennai, India | 01/2025–08/2026 CGPA- 6.58

Bachelor of Science in Computer Science (B.Sc CS)

B.S. Abdur Rahman Crescent Institute of Science and Technology | Chennai, India | 12/2021–05/2024 CGPA- 6.30

Higher Secondary Certificate (HSC)

Arumugam Academy Matriculation Higher Secondary School | Karur, India | 02/2020–05/2021 Percentage: 58.55%

SSLC

Arumugam Academy Matric Higher Secondary School | Karur, India | 04/2018–03/2019 Percentage: 40.6%.

CERTIFICATIONS

Deep Learning Certification Infosys springboard

March 2026

Data analysis, visualization, and business insights Deloitte (Forage Virtual Experience Program)

June 2025

Python Certificate Spoken Tutorial, IIT Bombay

Sep 2025

AWARDS & HONORS

Conference Participation Certificate

Kings Engineering College, Chennai 10/05/2024

Dr. M.G.R. Educational And Research Institute University , Chennai 09/03/2026
